TSCA Environmental Survey

Do the products you sell contain/include any of the following six PBT chemicals as a chemical constituent?

1. Decabromodiphenyl ether (DecaBDE) CASRN 1163-19-5
Yes
No
If yes, please list products.

2. 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP) CASN 732-26-3
Yes
No
If yes, please list products.

3. Hexachlorobutadiene (HCBD) CASRN 87-68-3
Yes
No
If yes, please list products.

4. Pentachlorothiophenol (PCTP) CASRN 133-49-3
Yes
No
If yes, please list products.

5. Phenol, isopropylated phosphate (3:1) or PIP (3:1) CASRN 68937-41-7)
Yes
No
If yes, please list products.

6. Elemental Mercury and mercury compounds CASRN 7439-97-6
Yes
No
If yes, please list products.

Certificate of Quality

Description: Autoclave Bag, 620 x 810mm, Clear, Case of 200
Heathrow Part Number: HS1002C
Lot Number: 602120
Manufacture Date: 06/2025
Country of Origin: China

Quality System Compliance:

Products are inspected and controlled through whole-production processing in accordance with current applicable product specifications and quality control SOPs. Inspection records are reviewed and signed off by qualified personnel for product release.

Quality Control Testing:

Inspected according to AQL level II 4.0 sampling plan per MIL-STD-1916. Products are inspected at the facility for strong seams, incomplete or distorted shape, or other damage or defects which would compromise proper function.

Product Material: Constructed of 2.0-mil thick polypropylene homopolymer and imprinted with blue ink, which are inert or minimally reactive with most common laboratory reagents.

BSE/TSE Statement: Products are not manufactured or derived from and do not come in contact with materials of animal origin.
Latex Statement: Latex-free product.
Melamine Statement: Product is Melamine free.

Non-Pyrogenic: Not applicable
DNase & RNase Free: Not applicable
Cytotoxicity: Not applicable

Conflict Mineral Statement: Product does not contain any conflict minerals (tin, tantalum, tungsten, gold).

BPA Statement: Heathrow Scientific does not intentionally add the following substances in either the manufacturing processes or product formulations of bisphenol A (BPA, CAS RN 80-05-7).
DEHP Statement: Products complies with the requirements in the US Consumer Product Safety Improvement Act (CPSIA) of 2008 and the European Union Regulation (EC) 1907/2006 regarding the concentration limit and the usage of the phthalate (DEHP, CAS RN 117-81-7).

RoHS: Concerning EU Directive 2015/863 (RoHS), the listed products a) do not contain any intentionally added lead, mercury, hexavalent chromium, or cadmium; b) do not contain any intentionally added brominated flame retardants; and c) do not contain any intentionally added phthalates. The concentration of the individual substances will be below the restricted levels. The listed products are not tested for the presence of these substances.
REACH Statement: Concerning Regulation (EC) No 1907/2006, commonly known as REACH, The listed products, as of the date of this declaration, a) are classified as "articles" and are exempt from REACH registration requirements; b) do not have reportable substances of very high concern (SVHC) and are not tested for the presence of SVHC; and c) comply with the restrictions in Annex XVII.

PFAS statement: Heathrow Scientific does not intentionally add the following substances in either the manufacturing processes or product formulations of Perfluoroalkyl and Polyfluoroalkyl (PFAS).
Heavy Metal statement: Heathrow Scientific does not intentionally add heavy metals in either the manufacturing processes or product formulations.
