

Section 1: Identification of the Product and Company

Product Name: Virus Transport Medium- Inactivated

Manufacturer: Biologix Corporation

Manufacturer Address: No.2766 Ying Xiu Road High-Tech Industrial Development Zone
Jinan, Shandong 250101 P.R. China

Email: Inquiry@BiologixGroup.com

Emergency telephone number

Call your regional Poisons Information Service or call local Life Saving Service.

Section 2: Composition Data on Ingredients

Ingredients: Guanidine salt (denaturant), reducing agent, biological buffer, chelating agent, surfactant, buffer.

Section 3: Hazards Identification

Overview: Not a dangerous substance or mixture according to the globally harmonized system (GHS).

Potential Health Effects Eyes: may cause eye irritation with susceptible persons.

Skin: may cause skin irritation with susceptible persons.

Inhalation: may be harmful if inhaled.

Ingestion: may be harmful if swallowed.

Section 4: First Aid Measures

General information: No special measures required.

Skin Contact: Rinse with plenty of water. If symptoms arise, call a physician.

Eye Contact: Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If symptoms persist, call a physician.

Ingestion: Rinse with water and wash stomach with 1:5000 potassium permanganate or 5% sodium thiosulfate. Call a physician.

Inhalation: Move to fresh air. If symptoms persist, call a physician. If not breathing, give artificial respiration.

Notes to physician: Treat symptomatically.

Section 5: Fire Fighting Measure

Extinguishing Media: Water, CO₂, dry chemical, alcohol-resistant foam.

Section 6: Accidental Release Measures

Use of these products in accordance with Good Laboratory Practices should not result in explosive mixtures being formed. SPILL CLEANUP: Absorb spill. Common absorbent materials should be effective. Deposit in appropriate containers for removal and disposal.

Section 7: Handling and Storage

Handling: Keep away from heat. Keep away from sources of ignition. Ground all equipment

Printing date: 2020/5/25

Product code: 19-1302 19-1262

Page 1 / 3

containing material.

Storage: Keep container tightly closed. Keep container in a cool, well-ventilated area. Store at 2°C ~ 8°C (35.6°F ~ 46.4°F).

Packaging materials Recommended use: Use original container.

Section 8: Exposure Controls and Personal Protection

Exposure limits: We are not aware of any national exposure limits.

Engineering measures: Use process enclosures, local exhaust ventilation, or other engineering controls to keep airborne levels below recommended exposure limits. If user operations generate dust, fume or mist, use ventilation to keep exposure to airborne contaminants below the exposure limit.

Hygiene measures: Wash hands with soap after handling compounds and before eating, smoking, using lavatory, and at the end of day.

Personal protective equipment: Lab coat and safety glasses.

Section 9: Physical and Chemical Properties

Physical state: Liquid.

Color: Clear.

Molecular Weight: N.A.

pH: 6.3-6.7

Flash point: Does not flash

Risks of explosion of the product in presence of mechanical impact: No Risk.

Risks of explosion of the product in presence of static discharge: No Risk.

Section 10: Stability and Reactivity

Stability: The product is stable.

Conditions to avoid: N.A.

Section 11: Toxicological Information

Cytotoxicity assay: There is no evidence available indicating acute toxicity.

Eye: May cause eye irritation with susceptible persons.

Skin: May cause sensitization by skin contact.

Inhalation: May cause irritation of respiratory tract.

Ingestion: May be harmful if swallowed.

Section 12: Ecological Information

General notes: Harmful to aquatic organisms.

Ecotoxicity: Do not empty into drains.

Toxicity of the Products of Biodegradation: No information available.

Section 13: Disposal Considerations

Unclean packaging: Disposal must be made according to state and federal regulations.

Cleansing agent: Water, if necessary with cleansing agents.

Printing date: 2020/5/25

Product code: 19-1302 19-1262

Section 14: Transport Information

DOT Label Information: Not classified as dangerous in the meaning of transport regulations.

IATA Label Information: Not classified as dangerous in the meaning of transport regulations.

Section 15 Regulatory Information

No known OSHA hazards.

Section 16 Other Information

For in vitro use only. Not for drug, household or other uses.

Warranty:

The above information is believed to be correct to the best of our knowledge, but does not purport to be all-inclusive and shall be used only as a guide. Novatek, LLC shall have no liability for any direct, indirect, consequential or incidental damages arising out of use, the results of use, the inability to use, the handling or contact with these products.
