

Yesterday, today and tomorrow

Why Samco Scientific has consistently been the leading producer of transfer pipets for over 35 years....

Design

- Grips easily with latex gloves no slipping
- Clear graduated markings
- Fine tip accuracy
- Packaging materials greatly reduce airborne mold spores from entering testing areas

Repeatable Results

- Inert, nontoxic Polyethylene
- Safe, residue-free product that does not interfere with testing data

Confidence

- Expert craftsmanship produces largest variety of fine tip pipets in the industry
- Precision-cut tips deliver a uniform drop size every time
- Proprietary controlled processes produce a uniform bulb with uncompromised integrity
