

Declaration of Statement

Subject: Transmissible Spongiform Encephalopathy (TSE) and Bovine Spongiform Encephalopathy (BSE) Statement

Date: 15th November 2024

SHIELD Scientific hereby declares that all its glove products are manufactured entirely from materials of synthetic origin.

No substances of animal origin, or any of its derivatives, are intentionally added to the product during the manufacturing process. Furthermore, based on our current knowledge of the raw materials and our processes, no contamination with substances of animal origin is expected. Therefore, our products can be declared free of Transmissible Spongiform Encephalopathy (TSE) and Bovine Spongiform Encephalopathy (BSE).

The above is true to the best of our knowledge and based on the information available to us from our suppliers.

Should you have any further queries on the manufacturing of SHIELD Scientific gloves, please do not hesitate to contact your SHIELD Scientific representative.

Trusting to have informed you sufficiently,

Yours Sincerely,

J.F. Robles
