Re: DuPont™ garments Tyvek® 500 Xpert, Tyvek® 500 Industry, Tyvek® 600 Plus, Tyvek® 400 Dual, Tyvek® 400 DualFinish and DuPont™ Tyvek® 500 accessories_ Inquiry on food contact

To Whom it may concern,

I am responding to your inquiry regarding whether DuPont™ garments Tyvek® 500 Xpert, Tyvek® 500 Industry, Tyvek® 600 Plus, Tyvek® 400 Dual, Tyvek® 400 DualFinish and DuPont™ Tyvek® 500 accessories are suitable for food contact.

The products listed above provide process protection from contamination by the wearer and also wearer protection from contamination by food processing products.

The products listed above have not been evaluated for meeting the requirements of Commission Regulation (EU) No 10/2011, nor Federal Food, Drug and Cosmetic Act (FDA) requirements of Title 21. Migration testing has not been conducted.

Garments and accessories (excluding gloves) which are not intended for direct food contact are not required to comply with food contact regulations. However they may have incidental contact with food, and this should be taken into consideration according to local regulations and laws (such as Hazard Analysis Critical Control Point).

This statement is based on our current level of knowledge and covers commercial products as supplied by DuPont at the date of issue. Since conditions of use are outside the Company's control, DuPont makes no warranties, express or implied, and assumes no liability in connection with any use of this information. I hope that this satisfies your request. Please feel free to contact me if additional information is needed.
