

Introducing the NEW GENESYS 30 Visible Spectrophotometer

The Visible Solution

The Thermo Scientific™ GENESYS™ 30 is the most thoughtfully designed spectrophotometer available today and meets modern expectations for students, educators and lab technicians. It blends the simplicity to appeal to novice students with the capabilities that labs need for accurate quantitative analysis.

Why GENESYS 30?

- Better design for usability
 - Large removable and washable sample compartment
 - Big, high resolution color screen that's easy to read
 - Familiar keypad controls for easy routine use
- 6-point quant offers higher data confidence
- Scanning available with onboard software
- Backed by a 2-year warranty and skilled technical support
 - Quality and dependability from a global leader
- Data any way you want it
 - USB data export
 - Excellent snap-on thermal printer
