Certificate of Analysis

Globe Scientific certifies that this product, made from resin material, has been manufactured under controlled conditions and is in compliance with all applicable procedures and specifications.

Item #:	**135040**
Lot #:	**N/A**
Expiration Date:	**N/A**
Product Descriptions:	Wide bore transfer pipet, large bulb, 124mm, 500/box
Component Material:	Low Density Polyethylene (LDPE)
ISO Manufacturing	ISO 9001:2015

Globe Scientific certifies that this product has been tested and is completely free of the

RoHS & CONEG
We hereby confirm that the LDPE used for this product is in conformity with RoHS and CONEG standards.

Conflict Mineral Compliance
Cassiterite (for tin), wolframite (for tungsten), coltan (for tantalum), and gold ore from conflict regions are not used in this product.

Food Grade Compliance
We hereby confirm that the LDPE used for this product is Food Grade and complies with US FDA 21 CFR 177.1520.

Proposition 65
This product does not contain the substances regulated by California Proposition 65 in concentrations resulting in exposures above the safe harbor levels determined by OEHHA. As such, this product does not require a California Proposition 65 warning label.

Trace Metals
We hereby confirm that the LDPE used for this product does not contain any Trace Metals.

BPA Free
This product does not contain Bispheonol A.

PFA Free
This product does not contain PFA

Latex:
No materials containing latex or natural rubber are used in the manufacturing, handling and packaging processes.

This product does not contain any antigens derived from, or antibodies raised against, microorganisms, viruses or prions.

This product does not include (and is not accompanied by) any additional external reagents containing animal or microbial derived material.
