

Globe Scientific certifies that this product, made from resin material, has been manufactured under controlled conditions and is in compliance with all applicable procedures and specifications.

**Item #:** 6102C  
**Lot #:** N/A  
**Expiration Date:** N/A  
**Product Descriptions:** Transport tube, 10mL, self-standing, attached white screwcap, molded graduation  
**Component Material:** TUBE: POLYPROPYLENE (PP) -CAP: POLYETHYLENE (HDPE)  
**Standard:** ISO 9001-2015

#### Latex-Free Statement

The resin manufacturers have supplied a statement that confirms that the materials do not contain Latex. Latex has not been intentionally added in the manufacturing process of this product and it is not used in its packaging.

#### Proposition 65

This product does not contain the substances regulated by California Proposition 65 in concentrations resulting in exposures above the safe harbor levels determined by OEHHA. As such, this product does not require a California Proposition 65 warning label.

#### Conflict Mineral Compliance

Cassiterite (for tin), wolframite (for tungsten), coltan (for tantalum), and gold ore from conflict regions are not used in this product.

#### BPA & DEHP Compliance

This product does not contain BPA or DEHP.

#### Tallow Derived Materials

Tallow derived materials are not present in this product.

#### REACH

We confirm that the above product does not contain any of the REACH SVHCs. The raw materials supplier is committed to fully respect REACH Legislation and will only use fully REACH compliant raw materials.

A handwritten signature in black ink, appearing to read "T. Tierney".
