Cona (VE) Italy, 30/06/2026

***TO WHOM IT MAY CONCERN*:**

BSE/TSE DECLARATION

Biosigma S.p.A. hereby declares that, according to the information provided by the manufacturer of the polypropylene raw material used in the manufacture of the following products:

- **CL022B** – Microtube with Cap, Eppendorf Type, 1.5 mL, PP – CLEARLINE
- **CL0269B** – Microtube with Cap, 2.0 mL, PP – CLEARLINE

the raw material is manufactured without the intentional use of ingredients of animal origin, including tallow derivatives.

Therefore, concerns relating to **Transmissible Spongiform Encephalopathies (TSE)** and **Bovine Spongiform Encephalopathy (BSE)** are considered not applicable to the raw material used for these products.

Accordingly, to the best of our knowledge and based on our supplier's declaration, the above-mentioned products are manufactured using raw material for which no ingredients of animal origin, including tallow derivatives, are intentionally used during manufacture.

This declaration is based on information provided by the manufacturer of the raw material and is issued to the best of our knowledge.
