# PRODUCT DATA SHEET

Item Number	: WTR001
Item Name	: PIG® Absorb-&-Lock™ Water Absorbent Strips
Contents/Package	: 10 strips/pack
Colour	: Yellow
Dimensions	: 13 cm x 152 cm
Composition	: Skin - Polypropylene; Filler Super Absorbent Polymer
Absorbency	: 37,8 L
Weight	: 0.6 Kg

## Description

- Super Absorbent Polymer (SAP) filler swells on contact with water and expands to pull in large volumes of liquid quickly
- Absorbed water is locked inside; won't leach or run out when you pick up or dispose, even when fully saturated
- Water locking gel mat strips are ideal for sewage and toilet backups and overflows and at the base of equipment, appliances and machinery, or to clean up a large water spill due to toilet backups, overflows or pipe bursts
- Expanded strips create a barrier to help prevent further leaks and drips from escaping and spreading into walkways; also good to help stop water from seeping under doors
- Strips (before water contact) are low-profile to fit tight spaces; unobtrusive design won't create trip hazards
- Non-toxic and non hazardous for easy disposal. Printed with "Caution" symbol for added safety

**Warnings & Restrictions** : Not for use with salt water
