

FICHE TECHNIQUE

Référence	353924
Désignation	Réservoir + couvercle pour plaque insert HTS 96 puits Falcon

Description :

- ✓ Gamma irradiated
- ✓ Nonpyrogenic
- ✓ Falcon® 96-well Feeder Tray, with lid. Non-TC-treated Polystyrene cell media tray for feeding cell-based assays. The drop-in baffle for the Feeder Tray mitigates media sloshing and lowers the risk of contamination
