IMPROVED PIPETTING AND PERSONALIZATION OPTION

SELECT

Air-Displacement Pipettes

Ergonomic, safe, and reliable, MyPIPETMAN® Select offers volume setting choice and optional handle personalization for optimal use in various protocols.

Select, Set, and Secure Volumes with the Trilock™ System

The unique and patented Trilock™ volume-locking system enables you to choose different positions when setting the volume:

- Free volume setting position for quick and effortless volume adjustment
- Light ratchet volume setting for precise **
 volume adjustment
- Volume locked position for secure pipetting

With this new Trilock system, the volume is adjusted simply by turning the push button of the pipette.

Volume Setting Locked

Ergonomic Design

Lightweight and well-balanced, MyPIPETMAN Select has an elegant design with a textured effect for a better grip.

With no compromise on quality and performance, the built-in ejection system provides reduced tip ejection forces. This patented ejection system reinforces the pipette's ergonomics for convenient use throughout the day.

Handle Printing with Your Text on Demand

MyPIPETMAN Select can have their handles printed on demand. Identify your pipette to avoid any risk of contamination by dedicating it to a specific liquid or workflow step and improve your lab Lean Management process.

Extra Personalization and Accessories

Other accessories like colored windows, tip holders, and tip ejectors are available in different colors and material for additional customization and ease of use.

Standard accessories, such as pipette stands and holders, are also available. Please visit **www.gilson.com** for ordering information.

Different pipette stands and holders allow you to store pipettes vertically, protecting them from contamination.

PIPETMAN DIAMOND® Tips are designed to fit your MyPIPETMAN perfectly and guarantee maximum accuracy and precision.

Benefit from a special care with our flexible, tiered service level offerings, tailored to fit your lab's needs, while increasing the lifespan of your pipettes.

MyPIPETMAN is also available for Enterprises offering, both functional and product customization options. Benefit from our Gilson brand and quality standards to build your own specific line of pipettes.

Please visit <u>www.gilson.com</u> for more information on MyPIPETMAN Enterprise
