

## DECLARATION OF CONFORMITY

This is to confirm that all our UV instruments including the lamp LF-215LS, numerical code 3411 21 55 1 with 2 x T15W tubes (one with 365nm wavelength and the other with 254nm wavelength) manufactured by us, comply with the requirements of the EC Directive 2014/30/EU, 2014/35/EU, 2011/65/EU and EN 61010-1 (electro-magnetic compatibility and low voltage).

The Electro-magnetic susceptibility has been chosen at a level that gains proper operation in residential areas, on business and light industrial premises and on small-scale enterprises, inside as well as outside of the buildings. All places of operation are characterised by their connection to the public low voltage power supply system.
