

Standard Analysis Certificate

PRODUCT :POTASSIUM HYDROXIDE 0.5 N (0.5 mol/L) in ethanol RPE**CODE** :472020000

TEST	U.M.	SPECIFICATION
Description Assay (potentiometry)	- N	Colourless to orange liquid 0.499 - 0.501

This volumetric solution is checked by potassium hydrogen phthalate volumetric standard, traceable to the SRM 84L of NIST (National Institute of Standards and Technology)

Storage is limited - colouring has no influence on use.
