DESCRIPTION

- Bright orange colour allows hands to be visible in low light situations and at greater distances, resulting in increased safety conditions for a variety of work environments.
- Resists a variety of industrial chemicals for longer periods than other nitrile disposable gloves.
- Extended cuff offers an increased level of protection in an exam grade glove in the highly sensitive wrist and forearm areas.
- Textured fingers ensure a strong grip and maximum worker protection.
- Powder-free and not made with natural rubber latex, to help protect from Type 1 skin allergies, skin irritation and dryness.

CATEGORY III

High Visibility Nitrile Exam Gloves

PRIMARY INDUSTRIES
