DESCRIPTION

- Designed with elbow-length cuff (400 mm/16 inches) to provide additional protection to the upper arm and extra security against cross contamination.
- Made with soft nitrile formulation for comfortable fit and feel while improved cuff design helps prevent gloves from rolling down.
- Textured fingers and palm ensure strong grip in a variety of applications.
- Nitrile formulation offers greater puncture resistance and chemical resistance than natural rubber latex.
- Gloves are packed in polybags to help protect product integrity.

CATEGORY III

Extra Long Cuff for Superior Forearm and Product Protection

PRIMARY INDUSTRIES

IDEAL APPLICATIONS
