#33 Rubber Bands
Pale Crepe Gold, 970 Bands/Unit

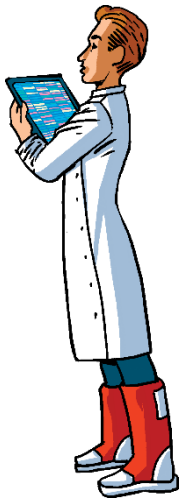

Part number

789136

Pieces by sales : 970

Description

Genesee Scientific is an authorized distributor of all Alliance® Rubber Company products, with access to around one hundred different rubber bands. If your Drosophila research requires a different size or rubber content, please contact us.

The Pale Crepe Gold™ line of rubber bands have an extremely high rubber content, ensuring maximum count per pound. Because of high rubber content, these bands have excellent tensile strength and stretch. Exceeds federal specifications A-A-131. Dimensions 3 1/2 x 1/8 inches Thickness: 0.35 inches
