Nutri-Fly® Molasses Formulation Pre-Mixed Fly Food
Molasses Formulation, 10 Packets/Unit

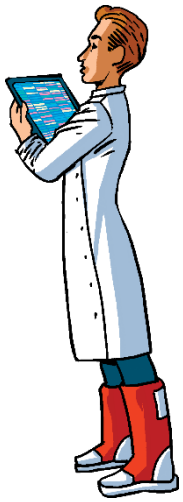

Part number

789233

Pieces by sales : 10

Description

Nutri-Fly® Molasses Formulation is perfect for media preparation facilities and labs requiring a molasses based media. The recipe can be doubled, tripled, etc. in the same batches to meet any media quantity requirements. Packaged in re-sealable bottles, Nutri-Fly® MF is not only convenient but also robust, and guaranteed to make fresh and substantive food throughout its shelf-life of two years from delivery. Strict lot traceability procedures are employed to each ingredient, in every batch. Made in the USA.

Product Overview

- Adopted by major Drosophila media prep facilities worldwide
- Never be stuck with extra media components again
- Air tight, re-sealable bottles keep food fresh
- Ideal for large, communal fly kitchens
- Makes a total of 100L of food
- Ingredients: Cornmeal, Agar (Type II), Molasses Solids, Inactive Nutritional Yeast
