FlyScope Base
30mm Diameter, 1 Base/Unit

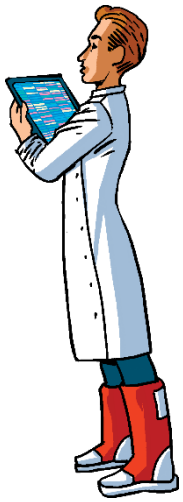

Part number

789298

Pieces by sales : 1

Description

The FlyStuff Microscope has been specially designed by Genesee Scientific as yet another component of the ideal Drosophila workstation.

Innovative Base - Includes the new, one-of-a kind scope base which is counterweighted. This feature clears up all obstructions for easiest manipulation of your flypad under your scope. Fits standard 30mm diameter microscope mounts.

Product Overview

- Designed for the ideal Drosophila workstation
- Retrofit your existing scope
- Innovative counterweighted base
- Base dimensions: 8 x 10in.
