Technical Data Sheet

Description

Flystuff® Drosophila Stereo/Dissecting Microscopes
With Counter Weighted Base, 1 Microscope/Unit

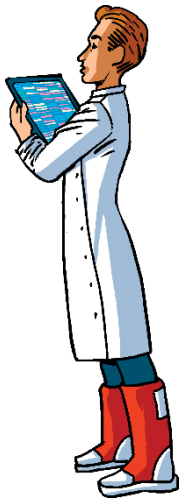

Part number

789310

Pieces by sales : 1

Description

The Flystuff Microscope has been specially designed by Genesee Scientific as yet another component of the ideal Drosophila workstation. Includes the new, one-of-a kind scope base which is counter weighted. This feature clears up all obstructions for easiest manipulation of your flypad under your scope. Fits standard 30mm diameter microscope mounts. Gooseneck LED lighting sold separately: cat # 59-500.

Product Overview

- Superior optical performance
- Broad magnification range of 6.5X-45X, or 7:1 zoom
- Minimize fatigue with side mounted zoom, low positioned focus controls, and 45° incline
- Ideal for your Drosophila workstation
- Unobstructed benchspace
- Includes counterweighted scope base
- 5-year warranty
