A & D Instruments Ltd. hereby declare that the following weighing products conform to the requirements of the council directives on ...

**Electromagnetic Compatibility (EMC) 89/336/EEC**  
 and  
**Low Voltage Equipment (LVD) 73/23/EEC amended by 93/68/EEC**

provided that they bear the CE mark of conformity as shown above.

**GP Series**

Standards applicable :

- EN 55022:1998                      Class B Electrical equipment for measurement, control and laboratory use - EMC requirements for emission
- EN-50082-1:1992                Electromagnetic compatibility. Generic immunity standard. Residential, commercial and light industry
- EN 60335-1:1991                Specification for safety of household and similar electrical appliances. LVD General requirements
- EN 60950                         Safety of Information Technology Equipment.

CE Mark first applied March 2004

**Warning**

These may be class A products. In a domestic environment these products may cause radio interference in which case the user may be required to take adequate measures.

Signed for A&D Instruments in Oxford England October 2005

Takeo Goto  
 Managing Director
