Technical Data Sheet

Description

COUPELLE DE PESEE Ø 70 mm x1000

Part number

843715

Pieces by sales : 1000

Description

- Durable aluminum construction is lightweight yet sturdy to withstand handling and prevent flexing.
- Crimped wall design provides structural integrity and prevents spills, ensuring precise sample containment.
- Convenient tab for easy handling simplifies transfer and reduces the risk of contamination or sample loss.
- Disposable for maximum efficiency, eliminating the need for cleaning, and streamlining workflows in high-throughput labs.
- Smooth, flat bottom ensure even heat distribution, making it suitable for moisture analysis, drying, and weighing applications.
- Ideal for bulk sample weighing and drying – The larger 70 mm diameter and 60 mL capacity make this dish perfect for handling higher-volume samples, reducing the need for multiple smaller dishes.
- Bulk pack of 1000 makes this a cost-effective solution for labs requiring large quantities of disposable weighing dishes.

Accessory Type	Weighing Dish
Capacity (mL)	60
Material	Aluminum
Height (in)	19/32
Depth (in)	5/8
Diameter (in)	2 3/4
Diameter (mm)	70
Description	Aluminum Crimped-Walled Weighing Dish with Tab, 70 mm diameter, 60 mL capacity; 1000/Cs
