Per OSHA 29CFR1910.1200 and the latest amendments to the European Union Directive 1272/2008/EC, the following products do not require a Safety Data Sheet (SDS).

Sensitizing, carcinogenic, mutagenic, and reprotoxic substances and substances classified as hazardous to human health or to the environment each comprise less than 0.1% of these products. Furthermore, less than 1% w/w of these products consists of materials that are classified as harmful, or for which an occupational exposure limit value (OEL) has been established. These products also contain no components from the Candidate List of Substances of Very High Concern for Authorization (SVHC) in concentrations of 0.1% or more.

Therefore, biotechrabbit does not provide a SDS for any of the following products. However, when working with these or any chemical reagents, we always recommend the use of gloves, lab coats, and eye protection. biotechrabbit assumes no liability for damage resulting from handling or contact with these products.
