1L bottle with sodium thiosulfate 120mg/L in natural HDPE graduated red screw cap with sterile integrity label

ARTICLE CODE: 018588

DATE PUBLISHED : 2023-11-06

Packaging

Carton (number of pieces)	90
Minimum sale (number of pieces)	90

Product description

Bottle material	Polyethylene (HDPE)
Material of the cape	Polypropylene
Bottle color	Translucent
Cape Color	Red
Assembled vial + cape	Yes
Cape Type	Self-jointing screw
Bottle shape	Square
Thiosulfate concentration (mg/L)	120
Total volume (ml)	1090
Usable volume (ml)	1000
Base length (in mm)	94,5
Base width (in mm)	76,0
Height without cape (in mm)	184,0
Height with cape (in mm)	185,1
Opening diameter (in mm)	58,6
Graduations	Yes
Graduations: Beach	100-1000ml
Etiquette	Yes
Label: dimensions (in mm)	45x90
Level of sterility	Sterile by irradiation
Packaging	Bulk
Operating temperature: minimum (in °C)	0
Operating temperature: maxi (in °C)	50
Single-use	Yes
Other features	- Integrity label with batch and expiry date
