## uvex i-5

### Adjustment to deliver the perfect protection

Perfect protection thanks to maximum adaptability. The uvex i-5 provides reliable protection in any situation. Sophisticated features ensure superior wearer comfort even during long periods of use.

These features include the soft, flexible nose pad, the 3-position side arm inclination and the adjustable side arms. The uvex i-5 proves that a modern design and functionality are by no means mutually exclusive.

**Three-position side arm inclination**  
allows easy adjustment to any facial shape

**x-tended sideshield**  
provides optimum protection around the sides of the eyes

**x-tended eyeshield**  
provides greater protection against particles, dust and dirt

**x-twist technology**  
for flexible and comfortable adjustment to any head shape

**Soft and flexible nose pad**  
for pressure-free wearer comfort and a non-slip fit

**uvex supravision coating technology**
