SuperClear® Specimen Collection and Transport Tubes

Complete Safety In Specimen Shipment

Labcon's SuperClear® Specimen Collection and Transport Tubes provide certified safety when storing and shipping biological material. These leakproof freestanding tubes meet the IATA and U.S. DOT 95kPa performance specifications legally required when shipping samples by ground or air. This ensures transport tubes are leakproof under differential pressure conditions and extreme temperature shifts as outlined in IATA DGR UN3373 and U.S. DOT HMR, 49 C.F.R., Parts 171-180.

Made from 100% virgin USP Class-VI medical-grade resins, SuperClear® Specimen Collection and Transport Tubes are suitable for use in medical, diagnostic and research labs and are certified contamination-free as mandated by the U.S. CDC. These certified sterile tubes have a Sterility Assurance Level (SAL) of 10^{-6} , as required for diagnostic assays.

- ✓ **95kPa certified**
Meets legal requirements for IATA/
U.S. DOT/UN3373 air & ground shipping
- ✓ **Leakproof**
Leakproof under differential pressure
& extreme temperature shifts
- ✓ **Validated Sterility**
 10^{-6} SAL, as required for diagnostic
& medical assays

Product Features

Quality & Compliance

5 mL SuperClear® Specimen Collection and Transport Tubes

Part Number	Sterile	Packaging	Pk	Case
3813-165-008-9	✓	Individually Wrapped	1	100
3813-340-008-9		Bag	50	500
3813-345-008-9	✓	Bag	50	500
3813-870-008-9		Bulk	500	1,000

10 mL SuperClear® Specimen Collection and Transport Tubes

Part Number	Sterile	Packaging	Pk	Case
3814-165-008-9	✓	Individually Wrapped	1	100
3814-340-008-9		Bag	50	500
3814-345-008-9	✓	Bag	50	500
3814-870-008-9		Bulk	500	1,000
